\*: All courses are provided on eight (8) hours basis per day including light lunch and coffee breaks.

\*\*Linux Desktop Productivity Essentials (RH007): 2days course that teaches essential desktop skills on RHEL, including exploring the filesystem with Nautilus; exploring the Internet with Firefox; creating office documents with OpenOffice.org's Writer, Calc, and Impress; editing images with Gimp; and creating diagrams with Dia...  
There is no set schedule for the RH007 but it can be provided on demand upon a preamble arrangement with Opennet MEA.

NB : kindly note that the schedule is only for information purposes and can be altered without prior notice. Please contact Opennet MEA for confirmation before registering for any course or examination.

These trainings will take place in Dubai Internet City, Building 12, Office 103.

Should you be interested in other schedules & location, please e-mail us to [training@opennet.ae](mailto:training@opennet.ae)
